

THE GOVERNOR GENERAL · LE GOUVERNEUR GÉNÉRAL

I am delighted to extend greetings to everyone taking part in the Royal Canadian Numismatic Association's 2013 Annual Convention in Winnipeg.

By promoting your passion for collecting currency and for numismatics in general, you remind us of who we are. Not only do your collections speak to our history, but they also help to preserve and pass on our Canadian heritage. Our values, traditions and wonderfully diverse culture are conveyed through this art. May you continue to share your extensive knowledge with Canadians and future generations.

I wish you all a fruitful and enjoyable convention.

C'est avec grand plaisir que je salue les participants au congrès annuel

2013 de l'Association royale de numismatique du Canada à Winnipeg.

Par le biais de la promotion de votre passion pour la collection des monnaies et la numismatique, vous nous rappelez aussi qui nous sommes. Vos collections témoignent non seulement de notre histoire, mais contribuent également à la préservation et à la transmission du patrimoine canadien. Ce sont nos valeurs, notre héritage et notre culture dans toute sa diversité qui sont racontés à travers cet art. Puissiez-vous continuer de faire part de vos connaissances honorables aux Canadiens et à nos générations futures.

Je vous souhaite à tous de merveilleux échanges et un congrès des plus agréables.

David Johnston

PRIME MINISTER • PREMIER MINISTRE

I am pleased to extend my warmest greetings to everyone taking part in the 60th Convention of the Royal Canadian Numismatic Association Convention in Winnipeg.

This year's convention will attract numismatists and dealers from across the country for four days of activities based on a mutual interest in coin and medal collecting. As the home of the Royal Canadian Mint's coin production facility, Winnipeg is a fitting location for your meeting. The circulation coins minted there play an important role in Canadian society, heighten awareness of our country with their bold symbols, and are a source of national pride. I am certain that your hosts from the Manitoba Coin Club will impress you with their warm hospitality and that you will enjoy the camaraderie present at this gathering of fellow hobbyists.

Please accept my best wishes for a productive and enjoyable convention.

A MESSAGE FROM THE PREMIER

On behalf of the Province and people of Manitoba, I am happy to welcome all of you to Manitoba for the Royal Canadian Numismatic Association's 60th Annual Convention.

We are proud to host the members of the Royal Canadian Numismatic Association in our fair prairie city. Winnipeg is a city that honours the old, with a deep respect for our history and roots. Manitobans are known collectors, and it is therefore unsurprising that the science of numismatics took a firm hold of our province very early on. Winnipeg's numismatic association, the Manitoba Coin Club, is the oldest coin club west of the Ottawa River, dating back to 1954, only four years after the founding of the Canadian Association. It included women as members within the first year of its formation, and several of our members rose to international prominence in the field.

Today, Winnipeg's numismatic life is still going strong, and we are proud of this ever-evolving, historical association. I wish you all a productive, enjoyable convention. I encourage you to take this opportunity to see Winnipeg's many sites, and soak up a bit of Manitoba history and culture.

Message from Mayor Sam Katz

On behalf of The City of Winnipeg, it is my pleasure to welcome everyone to Winnipeg – The Heart of the Continent, for the 60th Annual Convention of the Royal Canadian Numismatic Association. We are honored to be your hosts for what will undoubtedly be a successful event, and I am confident that our City will exceed all your expectations.

I would like to take this opportunity to recognize the Royal Canadian Numismatic Association on your initiative, vision and hard work to make an event such as this a success. May this anniversary celebration bring a sense of history, tradition and pride to the many people that have gathered together in recognition of this important field of study.

Visitors will find that Winnipeg is a dynamic city; we have fostered a great sense of community that is represented by more than 100 different ethnic groups. We are known for our international essence and welcoming spirit - I hope everyone will find the sights and sounds of our fair City as pleasurable and rewarding as Winnipeggers do.

Once again, on behalf of my esteemed colleagues on City Council, I would like to extend best wishes for a successful and rewarding convention.

Warm regards,

Sam Katz
MAYOR

**GREETINGS FROM THE
PRESIDENT OF THE ROYAL
CANADIAN NUMISMATIC
ASSOCIATION**

Welcome to Winnipeg, the 2013 RCNA Convention, and *Canada's Money Collector Show*. The Manitoba Coin Club (MCC), our host club, has prepared an extensive program that offers something for everyone – young or old, beginner or advanced collector.

The MCC and I are hosting a welcome reception on Wednesday evening. It is open to all registrants and spouses, dealers and assistants.

A special feature of this year's convention is VIP *behind-the-scenes* tours of the Winnipeg facilities of the Royal Canadian Mint, on Thursday. If you missed out on this tour, please note that RCM offers a public galley-way tour of their facility on most other days. The Royal Canadian Mint reception will be held Thursday evening at the Winnipeg Mint; buses will provide return transport from the Delta Winnipeg Hotel.

The MCC has also organized two great tours, the "Downtown Winnipeg Sightseeing, World War II Spy and Hermetic Code Tour" and the "Manitoba Museum Tour" on Friday and Saturday, respectively. Friday evening is "An Evening at Fort Gibraltar", which includes supper.

Thanks to all the MCC folks for their support and volunteerism. I encourage you to enjoy your hobby and have a great time in Winnipeg.

**MESSAGE DE BIENVENUE DU
PRÉSIDENT DE L'ASSOCIATION
ROYALE DE NUMISMATIQUE DU
CANADA**

Bienvenue à Winnipeg, au congrès 2013 de l'ARNC et au *Salon canadien des collectionneurs de monnaie*. Notre hôte, le Manitoba Coin Club (MCC), a préparé un programme qui offre des activités pour tous, jeunes et matures, collectionneurs débutants et avancés.

Le MCC et moi vous invitons à une réception de bienvenue mercredi soir. Elle est ouverte aux congressistes, aux conjoints et conjointes, ainsi qu'aux marchands et à leurs assistants.

Uniques au congrès de cette année, les visites spéciales dans les coulisses de l'atelier de Winnipeg de la Monnaie royale canadienne sont jeudi. Si vous n'avez pas obtenu une place sur celles-ci, la MRC offre des visites publiques. La réception de la Monnaie royale canadienne sera également jeudi soir, à l'atelier. Le transport aller-retour entre l'hôtel et l'atelier est prévu.

Le MCC a aussi organisé deux superbes visites guidées : « Le centre-ville de Winnipeg, le code Hermetic et l'espion de la Seconde Guerre mondiale » et « visite du Musée du Manitoba » respectivement vendredi et samedi. Vendredi offre aussi « une soirée au fort Gibraltar » qui comprend le souper.

Un gros merci aux membres du MCC pour leur soutien et bénévolat. Amusez-vous bien à Winnipeg et profitez pleinement de votre passe-temps.

The Convention Medal

The RCNA 2013 Winnipeg Convention medal employs an outstanding dynamic design. Susan M Poseluzney, a member of the Manitoba Coin Club, is the concept design originator. The design, inspired by the logo for the Manitoba Coin Club Inc, employs a three-quarter image of an American bison, also known as the American buffalo. The American bison is also an official symbol of Manitoba, and can be found on the shield of the Coat of arms of Manitoba.

The translation of the design into medallic form is the work of Daniel Carr. Carr produced the design using the “VS3D Virtual Sculptor” software, which he developed. The program allows for the virtual

sculpting of a digital design, and the subsequent transfer of the imagery “into physical form using a Computer Numeric Control (CNC) milling/engraving machine.” Once the dies are hand-finished and hardened, they are employed to strike the medals on his Graebener coin press.

Carr is a mechanical engineer and “computer-aided-design (CAD) and image-processing software development programmer.” In 1998 he combined his skills and interest in coins to design coins, tokens, and medals. In 2007 he purchased a Graebener coin press previously used at the US Mint in Denver. Shortly thereafter, his business expanded to a full-service, one-stop operation, from development of design concept through to engraving of steel dies, and striking of the final product.

Highlights of his work to date include the 2001 New York and Rhode Island designs for the US 50 State Quarter series. Daniel Carr has also developed the designs, dies, and struck the past five RCNA Convention medals. He is the owner of Designs Computed, LLC and the Moonlight Mint. For more information about Daniel Carr, and to view examples of his work, visit dc-coin.com, and moonlightmint.com.

Mr. Turrini is the current President of the California State Numismatic Association.

RCNA Numismatic Awards

A number of prestigious numismatic awards will be presented at various functions throughout the convention.

Paul Fiocca Award

The Paul Fiocca Award was established in 2008 and is presented annually for “long term meritorious service or major contributions to the R.C.N.A.” and is an award not just to recognize the elite of the hobby, but any individual who may have worked behind the scenes, often for many decades for the betterment of the Association. This award is an R.C.N.A. award for R.C.N.A. members and is not to be confused with the J. Douglas Ferguson Award the highest award in Canadian numismatics, which does not require membership in the R.C.N.A.

Fellow of the RCNA

In 1990, the C.N.A. Executive Committee established a member service award: “Fellow – Canadian Numismatic Association.” To be recognized for this award, a member of the R.C.N.A. must have performed a worthy service judged to be a direct benefit to the Association. The Awards and Medal Committee chooses the recipients from nominations made by R.C.N.A. members. The committee then presents up to five choices from the nominations each year at the annual convention. An award of “Fellow of The Royal Canadian Numismatic Association” authorizes use of the letters, F.R.C.N.A. to follow the recipient’s name. The first awards were presented at the 1991 C.N.A. Convention in Toronto, Ontario.

President’s Award

It is the R.C.N.A. President’s prerogative to recognize supporters, whether they are individuals or groups for outstanding support of the Association. The President’s Award consist of a trophy and a medal. This award is presented in front of a large audience, either at the annual general meeting or at the banquet, befitting the special occasion of the event.

Guy Potter Literary Award

The Guy Potter Literary Award was established when the original C.N.A. Literary Award was renamed in 1978 to honour the memory of Guy R. I. Potter, who was one of the founders of the Canadian Numismatic Association. Mr. Potter served as Secretary and Bulletin Editor of the Association from its beginning in 1950 until 1953 and as the third president of the C.N.A. from 1955-1956.

Jérôme H. Remick III Literary Award

The Jerome H. Remick III Literary Award was established in 1995 and its sponsorship continues through a bequest by Mr. Remick who was an active member of the C.N.A. and a well-known author. This award is presented annually to the author of the best numismatic article published in a local Canadian coin club newsletter during the previous calendar year. This award is administered by the R.C.N.A. The award is a large bronze medal that is presented to the winning author during the following year's R.C.N.A. Convention.

Local and regional and National Newsletter Awards

Every year the R.C.N.A. recognizes the efforts of member clubs, associations, and societies. This award is given for the best newsletter published by a local club and also for the best newsletter published by a regional or national association. To participate in the selection, clubs must submit samples of their newsletters to the R.C.N.A. Club Services Chairman.

Louise Graham Memorial Club of the Year Award

The Louise Graham Memorial Club of the Year Award was established in 1986 to honour the memory of Louise who was the C.N.A. General Secretary from 1954 until her retirement in 1971. The award is offered annually to the R.C.N.A. member clubs that enter a competition to acknowledge the club having made the most significant overall achievement on behalf of its members and of the hobby. Clubs entering this completion provide reports of their activities during the previous calendar year. These are judged on the basic of topics at meeting, originality of activates, educational and numismatic promotions, coins shows and consistency of meeting. A panel of judges select the winner and its decision is announced at the following R.C.N.A. Convention Banquet.

Best of Show Award

Every year the exhibits at the R.C.N.A. Convention are judged by a panel of volunteers assembled by Tim Henderson, who is the Chairman of the R.C.N.A. Awards and Medals Committee. This prestigious award is selected from all the first place finishers in the different exhibit categories at the annual Convention.

James E. Charlton Junior Award

The James E. Charlton Junior Award was established in 1969 as an annual presentation for the best exhibit of Canadian coins displayed by junior (ages 16 and 17) member at the C.N.A. Convention. As a great believer in the importance of encouraging young people to take an interest in our hobby, Mr. Charlton created an award to acknowledge excellence in exhibits. The C.N.A. Executive named this award in his honour and to acknowledge his generous financial support towards this award. Each year's recipient receives an personal engraved plaque.

Jean Bullen Award

The Jean Bullen Award was established in 2004 as an annual presentation for the best exhibit of Canadian coins displayed by a member of the C.N.A. Convention. At her passing, Jean Bullen made a financial bequest to provide an award for the category she had favoured the most – one in which her outstanding Canadian collection frequently took first place and often advanced to win “Best of Show.” The C.N.A. Executive named the award in memory of Jean and to acknowledge her generous bequest. The prize is a silver medal engraved with the recipient's name.

J. Douglas Ferguson Award

The J. Douglas Ferguson Award was established in 1969 and sponsored by Mr. Ferguson who at the time was the Honorary President of the C.N.A. This annual award is presented to the living numismatist who has made the greatest contribution during the past year to the advancement on numismatics in Canada by research, writing, publishing, or other means, and who has not previously won the award. Mr. Ferguson set up an independent Board of Award with C.N.A. representation for the award administration. He made the selections for the 1969 and 1970 winners and determined that the Board would choose the future winners from nominations made by C.N.A. members. Each year's winner for this separately sponsored award is announced during that year's R.C.N.A. Convention Banquet. The award is accompanied with a citation and a medal.
