THE ROYAL CANADIAN NUMISMATIC ASSOCIATION
BOOK LENDING LIBRARY CATALOGUE

There are many coin collectors who do not own or read any book with the possible exception of a coin catalogue, but there are no “numismatists” who do not either own or borrow books to read on the subject. Because we call ourselves Canadian numismatists, the thought is implied that we are serious students of the subject and not merely collectors of coins and the like. Over a period of many years The Royal Canadian Numismatic Association has amassed a vast collection of books dealing with every facet of numismatics. Many students of the hobby as well as the science have availed themselves of the services provided through the library. The library of The Royal Canadian Numismatic Association is one of the largest and varied in the country and we can be proud of the fact that the library is used quite extensively.

A great deal of thanks must go to the early pioneers who established the library in the first place and a great deal of thanks must go to those who have worked in the library and helped build it to its present strength. Thanks must also be given to those who have indexed and catalogued so diligently to produce the results you are looking at. We wish to thank the many who have made the library possible through their efforts or funds donated.

The books are there for you to use. It is an essential service provided by The Royal Canadian Numismatic Association and is our wish that we provide forever expanding service in this area as it is one of the most essential parts of numismatic study.

The Royal Canadian Numismatic Association also distributes a listing of audio-visual material.

How to Borrow Books from the Library

When Ordering Books:

1. Books should be ordered directly from the Librarian. All requests should be in writing or e-mail. Members are permitted to borrow three books/periodicals at a time.
2. When ordering books, please be sure to include catalogue index number (if available), title and author. Always include your name, address, postal code and RCNA number.
3. Books must be returned a month after you receive them. Should you wish to renew the books, a written request should be made to the Librarian before the due date.
4. Books are sent by Special Library Rate in Canada only. Postage has been paid both ways for the parcel by the Librarian. To return books, put the enclosed Special Library Rate Sticker on the envelope over your address. Change the return address to your address. Please enclose the postage cost on the package inside the envelope with all the books you are returning. Don't put any stamps on the envelope. Make sure the envelope is sealed and mailed.
5. As the special library rate is not available to USA or foreign members, parcel post must be used. Please enclose cost of postage in the special envelope enclosed with the shipment of books.

Request to borrow books from the RCNA Library should be sent to:

The Royal Canadian Numismatic Association Library
49 Sierra Grande Estates
